**About Doyle Academy**

Doyle Baseball was founded in 1978 by Denny Doyle and his twin brothers, Brian and Blake. Playing with and against the best, on pennant winners and World Series teams for a combined 30 years professional baseball experience, has helped lay the foundation for Doyle Baseball to develop its unique teaching methods, leading to the game's most innovative and respected training programs.

Dear League families,

We want to take a moment to thank you for signing your child up recently for participation in our organization. We hope it will be a great experience for all of you. As a follow up to your registration we wanted to inform you that we are hosting the Doyle Academy baseball school on Mar 27 for area kids ages 5 – 15. The teachers at Doyle are some of the most highly regarded in the game and this school is a GREAT opportunity to get your player off on the right foot for the 2010 season. The kind of instruction your child receives is commonly \$35 - \$70 an hour but for this school, the quality training is only \$50 **for those who sign up by Mar 19.**

No prior baseball experience is required. The Doyle teachers are used to working with kids playing for the first time all the way up to professionals playing major league baseball. They understand the basics of the game at every level and tailor the information to the student and his/her level of understanding. Students for the school will be sectioned off by age level and material will be easy to understand and age appropriate. Doyle teaches the basic fundamentals that every player needs and they throw in some lessons on sportsmanship, citizenship and core values. This program is ideal for the players in the league. What better way to get started than to come out and learn from professional trainers the right way to play the game. The Doyle systems are easy to learn and easy to remember. Parents are welcome to stay and watch, take notes or video. When you learn the right ways to do things it's easier to help your children later so parents are encouraged to attend. You'll love what you see.

We are excited about our players having the opportunity to attend the school. This way they can come in off a great refresher course on fundamentals and be ready to do things the right way. Attending Doyle School makes it easier on the players and easier on the coaches.

I hope all of you will consider enrolling your players in the Doyle Academy training and your son/daughter will be able to experience this league offer so you can see why we are so excited to offer this great opportunity for the kids.

Thanks again for your participation in youth baseball!

Community Athletics of North Hunterdon
